

Stealth Pro PlayStation DATA SHEET

Product Information

EAN	731855033669
Brand	Turtle Beach
SKU	10380546
Manu Part #	TBS-3365-02

Headphones

Ear coupling	Circumaural
Magnet type	Neodymium
Driver unit	5 cm
Headphone sensitivity	25 dB
Noise canceling	Yes
Noise canceling type	Active

Headphone frequency	10 - 22000 Hz
Noise reduction	Yes

Performance

Product colour	Black
Product type	Headset
On/off switch	Yes
Headset type	Binaural
Wearing style	Head-band
Country of origin	China
Volume control	Button
Recommended usage	Gaming
Operating keys	Volume +, Volume -
Control unit type	On-ear control unit
LED indicators	Yes
Compatible products	PlayStation
Plug and Play	Yes

Ports & interfaces

Connectivity technology	Wireless
-------------------------	----------

Bluetooth	Yes
Wireless range	15 m
Microphone in	Yes
Frequency band	2.4 GHz
RF connectivity	Yes
Bluetooth version	5.1

Battery

Battery type	Built-in battery
Battery operated	Yes
Continuous audio playback time	12 h
Wireless charging	Yes
Number of batteries supported	1

Microphone

Microphone type	Boom
Microphone frequency	100 - 8000 Hz
Microphone noise-canceling	Yes
Microphone sensitivity	-26 dB
Microphone direction type	Unidirectional

Folding microphone	Yes
Detachable microphone	Yes
Microphone connectivity	3.5 mm

Packaging content

Cables included	USB Type-C
Quick start guide	Yes
Receiver included	Yes
Charger	Yes
Pouch	Yes

Weight & dimensions

Width	262 mm
Depth	119 mm
Weight	1.65 kg
Height	282 mm

Packaging data

Package weight	1.67 kg
----------------	---------

Package height	122 mm
Package width	263 mm
Package depth	282 mm

Logistics data

Master (outer) case length	252 mm
Master (outer) case height	297 mm
Master (outer) case width	269 mm
Master (outer) case gross weight	3.68 kg
Products per master (outer) case	2 pc(s)
Master (outer) cases per pallet	120 pc(s)
Harmonized System (HS) code	8517620000

Supplier features

Material	Leatherette, Memory foam
----------	--------------------------

Other features

Number of batteries included	2 pc(s)
------------------------------	---------

Product Description

All hail the new king. The Turtle Beach® Stealth™ Pro Multiplatform Wireless Gaming Headset brings the best premium features to your gaming multiverse for PlayStation®, Windows PCs, Mac®, Nintendo Switch™ and mobile. Featuring the most versatile noise cancelling system ever in a gaming headset, with the ability to control noise-cancelling levels from anywhere. Experience ultimate audio immersion with powerful, hand-selected 50mm Nanoclear™ drivers for a vast soundstage; and the TruSpeak™ noise-cancelling boom mic or dual built-in microphones offer ultra-clear comms. Our softest memory foam ear cushions enhance noise isolation and provide all-day comfort, and the Stealth™ Pro is built to last with a durable steel-reinforced headband and frame. THE ULTIMATE IN AUDIO IMMERSION All hail the new king. The Turtle Beach® Stealth™ Pro Multiplatform Wireless Gaming Headset brings premium noise-cancelling audio and chat plus unmatched comfort to your gaming multiverse. EXCEPTIONAL AUDIO FIDELITY Our engineers pushed the boundaries of audio fidelity to create our best sounding headset ever. Powerful, hand-selected 50mm Nanoclear™ drivers are not only larger than the competition for more robust bass response (56% more surface area than 40mm) but are matched to eliminate subtle differences between left and right speakers. An optimized audio cavity and active software tuning produces a highly detailed soundstage for captivating audio for Sony 3D Audio for PS5™. UNRIVALED ACTIVE NOISE CANCELLATION Experience the most versatile, competitively benchmarked noise cancellation ever available in a gaming headset with noise reduction levels up to 25dB. Four internal noise-cancelling microphones reduce noise levels up to 25dB, making Stealth™ Pro adaptable to any situation, whether you want to tune out distractions or accentuate ambient sounds for nearly full noise transparency. Noise-cancelling adjustments can be made using the Turtle Beach Audio Hub App or by mapping to the headset's volume wheel. S.M.A.R.T NOISE-CANCELLING TRUSPEAK™ BOOM MICROPHONE Gone are the days of distracting, disruptive background noise interfering with your gaming chat. Our engineers designed a microphone specifically tuned to pick up just your voice, reducing up to 97% of background noise – up to 10X more effective than the competition*. Utilizing a

cardioid polar pattern plus our S.M.A.R.T. (Sonic Measurement Audio Reduction Tuning) noise-cancelling technology, the next-generation TruSpeak™ microphone actively adapts to environmental noise to let just your voice through. *20dB noise reduction behind mic vs. 2dB competitors as tested by Turtle Beach.
