

HSET USB 7.1 Immerse GH50 DATA SHEET

Product Information

EAN	4719072655204
Brand	MSI
SKU	10269190
Manu Part #	S37-0400020-SV1

Product Type	Gaming Headset
Interface(s)	USB 2.0
Operating Systems Supported	Windows 10 / 8.1 / 8 / 7
Speaker Impedance (ohms)	32 ohm \pm 15%
Volume Control	Yes
Microphone Sensitivity (dBP _a /V)	-36 dB \pm 3 dB
Speaker Magnet Type	Neodymium

Microphone Impedance (ohms)	32 ohm \pm 15%
Microphone Pattern	Unidirectional
Corded/Cordless	Corded
Microphone Type	Detachable
Cable Length (m)	2.2m
Cable Length	2.2m
Speaker Driver Diameter (mm)	40mm
Pack Quantity	1
Barcode	4719072655204
Height (cm)	79.9
Weight (kg)	4.05
Power (W)	45
Speaker Low Frequency Response (Hz)	20
Speaker High Frequency Response (kHz)	20
Microphone Low Frequency Response (Hz)	100
Microphone High Frequency Response (kHz)	10

Product Description

Enjoy an immersive sound experience. High quality 40mm drivers equipped with virtual 7.1 surround sound and vibration system bring you the incredible sound performance. Fully customize RGB illumination and various lighting effects by using MSI Mystic Light utility. GH50 is compact and easy to take with you. Metal construction provides better durability and stability. Unidirectional mic keeps communication clear and effective. Detach the mic anytime when you just feel like relaxing with music. The soft, fluffy ear cups help to maintain comfort to your ears after hours of games. The over-ear design of GH50 provides an extensive soundstage and adds comfort by leaving your ears free of any pressure. Fine-tuning more detailed settings and effects by using latest Dragon Center.
