Product Description

Cut Wires. Cut Costs. PRO-QUALITY AUDIO IN AN AFFORDABLE BLUETOOTH HEADSET Free yourself from your desk with the perfect entry-level Bluetooth® wireless headset. Meet the Voyager 4300 UC Series. It's everything you need to stay productive and connected to all your devices whether at home or in the office. Long day of calls made easier with all-day comfort and dual-mic Acoustic Fence technology that eliminates background noise. Phenomenal flexibility, connectivity, and freedom? Yes please! Escape Your Desk MOVE MORE AND FOR LONGER Walk-and-talk with ease with up to 50 meters/164 feet of wireless range, up to 24 hours of talk time and all-day comfort to match. Make those long conference calls a little easier. No One Likes To Be Tied Down FLEXIBILITY TO WORK WHERE YOU NEED TO Move easily between the home and the office with portable design and travel pouch. Working somewhere noisy? No problem. The dual-mic Acoustic Fence technology eliminates background noise. And with a mute button that is super easy to find and dynamic mute alert, you are in control. Choose Your Own Adventure ONE HEADSET – MANY DEVICES Multiple device connections are at your fingertips. PC/Mac, smartphone, desk phone (with office base, sold separately). No need for battery anxiety, if you need more charge just plug it in and use as a corded headset. It's Your Call CHOOSE WHAT TO HEAR AND HOW YOU WEAR IT Want to listen to music or block out the noise around you? Chose the Voyager 4320, stereo version. Prefer to keep one ear free to hear what's around you? Then go with the Voyager 4310, mono version. Both have outstanding audio and include Poly's SoundGuard DIGITAL for your acoustic protection. POLY LENS INTELLIGENT INSIGHTS, SCALABLE MANAGEMENT Poly Lens software gives IT teams visibility and control over voice, video, and headset devices. Deploy, configure, update, and get valuable insights from one endpoint or thousands using one scalable platform. Poly Lens makes it simple: no heavy IT lifting required. POLY LENS APP DESIGNED FOR YOU Get the most out of your Poly devices. Use one convenient app to manage all your compatible devices. Keep software up to date, manage settings, and use the personal health and wellness reminders to keep you focused and energized all day long. With the Poly Lens App, you can customize your devices to

work the way you do. BUILT FOR COMPATIBILITY All Poly USB headsets and personal speakerphones are compatible with the most popular voice platforms – we just work. Poly solutions provide excellent audio quality for both you and those on the other end of the call – no matter your platform of choice.
