Product Description

Hearing every word clearly on a work call isn't just a nice-to-have. It's a must-have. With the Plantronics Savi 8200 Office & UC Series headsets, everyone can tune out noise and stay focused. Looking stylish and feeling comfortable is inevitable. Having the freedom to roam and talking a long time on a single charge (or for an unlimited time with a hot swappable battery) means work gets done. Even away from the desk.
