

SYNC 20+ SY20 USB-A/BT600 WW DATA SHEET

Product Information

EAN	17229172432
Brand	Poly
SKU	10321172
Manu Part #	216865-01

Loudspeakers

Frequency range	80 - 20000 Hz
-----------------	---------------

Packaging content

Quick start guide	Y
Cables included	USB Type-A

Ports & interfaces

Bluetooth	Y
Connectivity technology	Wired & Wireless
USB connector type	USB Type-A
Bluetooth profiles	A2DP, AVRCP, HFP
Interface	Bluetooth
Bluetooth version	5

Power

Power source type	Battery
Battery technology	Lithium-Ion (Li-Ion)
Battery capacity	3200 mAh
Battery recharge time	4 h
Talk time	20 h

Weight & dimensions

Width	182 mm
Depth	95 mm
Weight	350 g
Height	34 mm

Features

Product colour	Black, Silver
Windows operating systems supported	Y
Control type	Buttons, Touch
Auto	Y
Programmable hot keys	Y
Speakerphone	Y
Echo cancellation	Y
On/off switch	Y
Device type	Universal

Microphone

Microphone frequency	100 - 6700 Hz
----------------------	---------------

Logistics data

Harmonized System (HS) code	85182900
-----------------------------	----------

Product Description

Microphone steerable array for echo and noise reduction
Hear and be heard: Keep the focus on your voice, not the background noise with a multi-microphone steerable array for echo and noise reduction. Let people talk simultaneously for natural conversations without missing a word with full-duplex audio
Work on the go: Keep your smartphone charged and ready using your Poly Sync 20, with up to 20 hours of battery life. It's slim and portable, IP64 dust and water-resistant, and comes with its own carrying case
Easy connectivity: Just connect smartphones wirelessly via Bluetooth or computers via USB-A
All in one: Portable speakerphone + portable charger + high-performance music speaker. Enjoy more clarity on every call thanks to the bass reflex system with dual passive radiators for natural voice and deep bass
Stay in control: Know the call status, even from a distance, thanks to a highly visible light bar. Access your favourite function - play/pause music, last-number redial, voice assistant and more - with the touch of the programmable button
Features and Benefits
Hear and be Heard Keep the focus on your voice, not the background noise with a multi-microphone steerable array for echo and noise reduction. Let people talk simultaneously for natural conversations without missing a word with full-duplex audio.
Work on the Go Keep your smartphone charged and ready using your Poly Sync 20, with up to 20 hours of battery life. It's slim and portable, IP64 dust- and water-resistant, and comes with its own carrying case.
Easy Connectivity Just connect smartphones via Bluetooth or connect wirelessly to computers via the included BT600 adapter.
Stay in Control Know the call status, even from a distance, thanks to a highly visible light bar. Access your favorite function—play/pause music, last-number redial, voice assistant, and more —with the touch of the programmable button.
Work from a Dedicated Home Office Talk hands-free while on video calls. Work from the Office Easily use at work while on video calls in small meeting spaces.
Plantronics Hub App Allows users to customise their settings and get the visible status of their Plantronics audio device on their desktop (Windows and Mac support).
