

Studio Audio/Video USB Soundbar - UK DATA SHEET

Product Information

EAN	610807888598
Brand	Poly
SKU	10263664
Manu Part #	7200-85830-102

Operational conditions

Operating temperature (T-T)	0 - 40 °C
Operating relative humidity (H-H)	5 - 95%
Storage relative humidity (H-H)	5 - 95%
Storage temperature (T-T)	-25 - 70 °C

Audio

--	--

Built-in microphone	Y
Built-in speaker(s)	Y
Noise reduction	Y
Microphone frequency response	120 - 16000 Hz

Packaging content

AC adapter included	Y
Remote control included	Y
Cables included	USB
Mounting kit	Y
Remote control batteries included	Y

System Requirements

Windows operating systems supported	Y
Mac operating systems supported	Y

Ports & interfaces

Microphone in	Y
USB Type-C connector	Y

Weight & dimensions

Width	700 mm
Depth	70 mm
Weight	2.34 kg
Height	105 mm

Power

Input current	5 A
DC input voltage	12 V
Power source type	DC
Remote control battery type	AAA

Video

Supported video modes	2160p
HD type	4K Ultra HD

Camera

Digital zoom	5x
--------------	----

Field of view (FOV) angle	120°
Number of camera presets	2

Performance

Cable lock slot type	Kensington
Wi-Fi standards	802.11a, 802.11b, 802.11g, Wi-Fi 4 (802.11n), Wi-Fi 5 (802.11ac)
Cable lock slot	Y
Bluetooth	Y
Wi-Fi	Y
Wi-Fi band	Dual-band (2.4 GHz / 5 GHz)

Logistics data

Harmonized System (HS) code	85258900
-----------------------------	----------

Product Description

Raise the bar Whether you want to make a persuasive point or a lasting connection, you need technology that lets you interact naturally. So put the days of frustrating video-conferencing experiences behind you. Now you can see and hear everyone clearly, and converse naturally, with Poly Studio. Simple USB connectivity gets up and running fast, keeps the technology in the background and you in the foreground, and provides a business-class solution to everybody working in a huddle room. It's time to raise the bar for video conferencing—it's time for Poly Studio. Hear best-in-class sound You've never heard a USB video bar sound this good. It's the only one with patented NoiseBlock™ technology to intelligently tune out distracting sounds that interrupt meetings. And outside conversations stay out of your calls with Acoustic Fence—it captures just the voices within a defined space. See natural video With group framing and automatic speaker tracking, the connection feels personal. And it's built right in, no drivers or software is needed on the PC. Everybody on the video call can see the important details—right down to body language and facial expressions. Manage and Deploy with ease Cloud-based management tools let IT push software updates and make settings changes without ever leaving their desk. Centralized management and high-scale deployments help IT eliminate “sneakernet.” Plus it works with nearly any video platform—so you can be confident this is a future-proof solution. We work everywhere that you do Poly video solutions make meetings a breeze. Use cloud video apps for a full experience with all the features you know and love. Or use standards-based SIP and H.323 compatibility to connect to different cloud video services throughout your day. POLY Studio Features: 1. Best In-Class Audio Delivering the best audio quality in its class, Poly Studio lets teams on both ends of the call catch every word. You've never heard a USB video bar sound this good.
