Ear pad size	1.36 cm

Product Description

A HEADSET THAT MOVES WITH YOU Working in and out of the office? We've got you covered. The Voyager 5200 Office and UC headset provides professional-grade sound, no matter where you take the call. Now you can thrive in any environment on any of your devices, with versatile connectivity and Bluetooth technology. Go get 'em.

BENEFITS

- IT managers have it easy—only one Office Bluetooth® wireless headset system needs to be deployed globally.
- Users don't have to worry about battery life comes with a charging base or charging case.
- Great for outdoor use, with four-microphone noise-canceling design, WindSmart technology and P2i coating for moisture protection.
- Microsoft Teams version to support easy collaboration and communication with a dedicated Team button for instant access to the Teams App.

VOYAGER 5200 OFFICE AND UC SERIES Workers in and out of the office need a Bluetooth® headset that moves with them. Voyager 5200 Office and UC Series headset system sounds professional in any environment whether connected to a desk phone, PC or mobile. With six layers of WindSmart technology and four omni-directional microphones to reduce distracting background noise, nothing gets in the way of a clear connection—no matter what type of device they are using to communicate with in and out of the office. Sleek and pocket-sized, the headset is comfortable enough to wear all day. And workers don't have to worry about battery life due to convenient charging options. The Office and UC Series makes sure they're ready to talk whenever, wherever.

- All-day comfort, discreet wearing style.
- Pocket-sized headset is perfect for on the go.
- Easy connectivity options for your different communication needs.
