## Product Description

Hisense HS218 soundbar has been designed to upgrade your existing audio. With 4 speakers and a wireless subwoofer delivering 200w superior audio, together with Dolby audio technology it will upgrade your TV sound instantly. The wireless subwoofer brings depth to your sound experience, which can be independently controlled via the remote. With Bluetooth technology ensures easy connection to your smart devices. HS218 comes with 3 pre-set modes which allow for easy switching which means you'll always have the perfect sound set up.
