## Stitch Guide

By: Fire and Iris Designs

### About the Guide:

This is a low-stress guide. I'm including this in case you wanted to know what I used for my stitched example. Always feel free to use whatever fibers and whatever stitches you'd like. This is your project after all!

### Fiber Recommendations (1 Skein unless otherwise denoted):

(Note: you are welcome to substitute out fibers for ones you prefer/ones that are in your stash!)
