RULES

Show hall opens at 7:30am for setup, show begins at 8:30am Eastern time.

Entry fees, limits, general info:

- Entry fee of \$75 includes one table and one chair
- Additional tables can be purchased for \$20 each
- Proxy entry fee is \$50, and no additional table space will be provided
- Entrants are permitted 100 total entries to show, and 3 entries per class. \$1 buy-in for up to two extra entries in classes is permitted.
- Family & Syndicate owned models are allowed, provided they are not showing under any owner or a direct family member of any owner.
- We will break for 30 minutes around noon for lunch.

Tags & Documentation:

- Each entry must have a tag
 - Front side:
 - If horse: Breed, Gender
 - If item: Item name, material (“Barn, Balsa wood & acrylic paint” or “Western Saddle, calf skin leather & various metal findings)
 - Back side: Model name, entrant initials, sculpting and/or painting artist is encouraged
- This is an all workmanship show! Documentation showing the creative process of the piece, outlining techniques used, or anything else the entrant would like to share is encouraged. Do not list artist or sculptor information on the documentation, only on the back side of the tag that will be seen after judging each class.
- For OF models, documentation showing real horse references is welcome but not required. Note that we are not judging on collectability – but rather workmanship of the original finish piece. This includes prepping of the body for paint, lack of visible seams, correct masking placement, overspray, detail of the paint work, detail and accuracy of customization, etc.
- All documentation must not be larger than one 8.5x11” sheet

Awards

- The Overall Champion in each of our divisions will receive a limited Stone model produced only for this event
- Overall Reserve and all Division/sectional champs and reserves will receive rosettes and Stone Horses gift cards
- Classes will be placed 1st-6th place
- 1st and 2nd place winners in qualifying classes will receive NAN cards (membership pending)

Ground Rules

- Sportsmanlike conduct is expected of all entrants. We do not tolerate bullying or unkind remarks in the show hall, and any entrant may be asked to pack their models and exit with no refund if this rule is repeatedly violated.
- All judges' decisions are final. If you have questions about a placing, you are welcome to ask the judges at the end of a class in a constructive manner. If you do not agree with their reasoning, you are asked to accept the difference of opinion for the day.
- Be careful around the show tables, sales tables, and tables of your fellow entrants. If you bump a table or otherwise interact with somebody else's models and damage is caused, you will be asked to pay for repair costs. Do not touch or move others' models without their permission.
- Per the venue rules, no animals other than task-trained service animals are permitted in the show hall.
- Children are welcome in the show hall, but parents must ensure their kids are not running or otherwise causing distractions or possible damage to models or the flow of the show day, and that any tablets/games are used with headphones or at a low volume.
