100% Black

axis BiotiXTM

Food Supplement

4 Billion Live Bacteria From 4 Different Strains
Specially Selected and Blended

AXISBIOTIX IS A FOOD SUPPLEMENT

Convenient and easy to take, each sachet provides you with 4 specially selected and blended strains that are taken daily.

Suitable for adults.

Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle or in place of your clinician prescribed medication.

Recommended Daily Dose: 1 sachet per day.

Instructions: Take one sachet (3g) a day on an empty stomach in the morning before breakfast or at the end of the day before going to bed.

Add the contents of the sachet in approximately 100 ml (half a glass) of lukewarm water or milk, stir and leave for 1 minute then stir again gently before drinking.

If you are taking antibiotics, AxisBiotix is best taken 2-3 hours after taking your antibiotics.

Cautions: Do not exceed the recommended daily dose.

Consult your healthcare professional before taking this food supplement if you are under medical supervision or on medication.
