Heart of Nature—Flower Energy Cards

"These beautiful cards are a delight to work with.

Sometimes they reveal very profound insights.

I enjoy picking one in the morning as an affirmation and thought for the day."

~ Christina

The **Flower Energy Cards** help to invoke the energies you intend for a room during space clearing. Choose a card at random while asking how to best assist the process of clearing and invocation. Place the card on an altar in the space to help attract and anchor the energy you desire.
