Terms & Conditions:

Conditions for being a suitable dog/s for our daycare environment:

Your dog(s) must pass the assessment & continue to align with the following conditions:

Must be 14 weeks of age or older & have the required & most up to date proof of vaccinations.

No current internal or external parasites. Flea, Tick & Worm treatments must be kept up to date.

No stitches, bandages, open wounds, irritated skin, conjunctivitis or contagious conditions - please notify staff of any issues or injuries they have experienced within 24 hours of their next appointment by contacting the daycare directly.

We prefer all dogs 6 months & older to be desexed. *Exceptions can be made for larger breeds to develop, providing your dog(s) exhibits NON-aggressive, NON-erratic behaviours & doesn't hump other dogs to display dominance.*

Females on heat will not be able to attend daycare during that period. If you choose not to get them desexed, we will assess if your dog/s is suitable moving forward. Dogs continually coming into season arouses other dogs & can cause unnecessary behaviours in the daycare environment.

Must be non-aggressive & not displaying threatening behaviours towards any humans & other dogs: Protecting toys, water bowls &/or treats may be considered unacceptable for our daycare environment. Any issues or incidents that occur involving your dog will be documented, staff will notify you & attempt to manage the situation. If your dog/s is deemed to be no longer suitable for our daycare, external training may be advised. If no improvement is occurring, we reserve the right to: Cancel current bookings, isolate your dog in an isolation pen (until your dog is collected).

While we take great care in maintaining a safe environment for all dogs, Bernie's Backyard Dog Daycare assumes no liability for any injuries sustained while at Bernie's Backyard Dog Daycare. This includes any pre-existing injuries or conditions.

I understand that if my dog causes harm to another dog whilst at Bernie's Backyard Dog Daycare, I will be responsible for any veterinary costs associated with the other dog's treatment and, I will indemnify Bernie's Backyard Dog Daycare for any costs of handling, transporting, and providing the care associated with any such injuries. In this event, I understand that my name and contact number may be shared to resolve the incident.

Late Pick up fees:

Our daycare officially closes at 5:20pm Monday - Friday excluding public holidays. We are happy to keep your dog in our care until 5:30pm at the latest when Bernie's Pet Barn closes. As much as we love having your fur babies, we also need to get home to our own! So a late fee of \$20 will be incurred for any late pick ups from 5:30pm up to 15 mins after closing the store - then an additional \$10 for every 10 mins after that.

If your dog is booked for a morning half day session, please note that this booking type concludes at 12:00pm. If your dog is still with us after 12:30pm, your booking will automatically be converted to a full day booking, incurring the full day booking rate. We appreciate your understanding!
