

AYURVEDA

Ayurveda is the ancient Indian art and science of healing and rejuvenation through the use of natural herbs, roots and minerals.

It is said that over 3,000 years ago, nature revealed the curative and therapeutic properties of each tree, plant, herb, root and flower, and the beneficial links that exist between the vegetable and mineral worlds and man.

Auromere's Ayurvedic products are quality products produced in Ayurvedic tradition. Each product is free of animal by-products and has not been tested on animals. Made in India.
