German Car Parts Specialist 

## German Car Parts Specialist

Bapmic was founded in Germany with the mission of offering professional solution for German Car Parts procurement of Mercedes-Benz, BMW, Volkswagen and Audi adhering to the highest industrial standard in quality, material and craftsmanship, while enabling our clients to enjoy substantial profit and maximize value for end users.

Our extensive effort has granted Bapmic to become a leading brand of automotive spare parts industry during the past decades. Now Bapmic catalog consists of more than 15,000 SKUs which are available in more than 68 countries all over the world.

# CONTENTS

Body Parts .....	001
Electronic Components .....	190
Engine .....	262
HVAC .....	642
Interior .....	669
Suspension & Steering .....	680
Tools & Accessories .....	800
Transmission .....	800
