The Boden accent table is part of Universal Furniture's new Coastal Living outdoor collection. It features woven rope in cobalt designed to stand up to the elements with a pop of outdoor color. www.universalfurniture.com

Bold contrasts and clean lines characterize Silhouette from Bernhardt. Its minimalist forms show dramatic details in black and white. A subtle straight wood grain lends fine texture and softness to the finishes. Sleek linear forms find balance with pattern, texture and curves. www.bernhardt.com

Crystorama has created a unique combination of texture and materials in the Poppy chandelier. The matte black finish and black wooden beads create a rich visual impact. www.crystorama.com

The Like a Feather cabinet from Hooker Furniture's Melange collection blends textures and materials — matte black and warm gold — for a functional, yet whimsical piece. www.hookerfurniture.com

The Osgood armchair is part of Spectra Home's Made in the U.S. upholstery collection. Shown in Luisa Indigo, a white and blue floral. www.spectrahome.com
