

A+ PRODUCTS, INC.

A+ Elite Stab-Lock Buckles

DISCLAIMER

A+ Products Inc. (A+) disclaims all liability for damage, injury, death or other possible loss resulting from the user's use of any product or use of any information received from A+. Some states do not allow sellers to limit their strict liability or liability arising pursuant to warranty law. This Disclaimer, Release of Liability & Warning includes any losses claimed to be caused by the negligence of A+ and includes claims for wrongful death, products liability, breach of warranty, breach of contract or otherwise. This Disclaimer, Release of Liability & Warning is therefore limited to the extent required by applicable state law. A+ is not responsible for the consequences, indirect or direct of any types of damage from the use of its products. Any portion of this Disclaimer, Release of Liability & Warning deemed unlawful or unenforceable shall not affect the enforce-ability of the remaining provisions and the remaining provisions shall continue in full force and effect. See below for information on the following topics.

TRADEMARKS

- COBRA® is a registered US Trademark of AUSTRIALPINE and cannot be used in your marketing materials without their approval.
- Raptor™ is a Trademark of American Direct Fabrication (ADF) and cannot be used in your marketing materials without their approval.

LOAD RATING

- A+ Stab-Lock buckles are not load rated.
- A+ Stab-Lock buckles are not designed for safety applications or for climbing.

PATENTS

- A+ sells both patented and non-patented items. Non-patented items are evaluated for any patent infringement before being added into the A+ catalog. A+ is not liable for any patent infringement issues that arise from using our products. Some products may create patent infringement based on their application. Only a patent attorney can advise you on potential patent infringements.
- A+ has evaluated [AustriAlpins US patent portfolio](#).
