UNIQUE DECORATION METHODS

Color Changing Ink

Discover the magical effect of artwork change color when a cold beverage is added to drinkware items

Laser 360+

Ideal for stainless steel and metal items, make a lasting impression by maximizing your logo's visibility with stunning full wrap artwork that captivates and mesmerizes.

Elevation

State-of-art printing process in which a clear or colored gel-like ink is used to create a 3-D effect, rendering a high-end embossed look without the high-end cost

Fresco Digital Print

Allows printing in full color on drinkware as well as flat items, such as on lids, the bottom of various drinkware items, lunchboxes, and electronics

Inserts

Confetti, glitter, burlap, metallic and many other options can be inserted into double-wall drinkware items

Reviving Resources – Sustainability Starts Here
