## UNIQUE DECORATION METHODS

### Color Changing Ink

Discover the magical effect of artwork change color when a cold beverage is added to drinkware items

### Elevation

State-of-art printing process in which a clear or colored gel-like ink is used to create a 3-D effect, rendering a high-end embossed look without the high-end cost

### Fresco Digital Print

Allows printing in full color on drinkware as well as flat items, such as on lids, the bottom of various drinkware items, lunchboxes, and electronics

### Inserts

Confetti, glitter, burlap, metallic and many other options can be inserted into double-wall drinkware items
