Our Vision

NEMO is founded on a commitment to adventure, to the fearless pursuit of uncharted paths, in everything from the equipment we build to the way we run our business. Bravely exploring new directions opens our minds, brings us closer to the people we depend on, sharpens our wits, and lifts our spirits. Adventure gives us purpose and perspective. It makes us humble and proud. We believe meaningful adventures are possible for anyone, anywhere. Possible, that is, if you bring the will, the imagination, and the right gear.

It makes us humble and proud. We believe meaningful adventures are possible for anyone, anywhere. Possible, that is, if you bring the will, the imagination, and the right gear.

ASTRO™ LITE SERIES

Ultra-light, ultra-packable and deceptively comfortable, the new Astro™ Lite models are among the lightest air inflatable pads in NEMO’s line, a breezy six ounces lighter than the original Astro™ series backpacking pads. The Astro™ Air Lite and Astro™ Insulated Lite models combine the lightest fabrics available in NEMO’s sleeping pads with a plush four inches of shoulder saving loft (25L). A raised pillow baffle offers stability, support and side sleeping comfort. The Insulated model has a layer of PrimaLoft® insulation built in for protection against cold or hot ground. The Astro™ Lite series include a stuff sack, compression strap, and repair patches. Pairs with our award-winning Pillowtops™ for unbeatable comfort.

Weight 14oz / 405 g
Min Temp Zone 35 to 45F / 2 to 7C
Width 20 in / 51 cm
Length 72 in / 183 cm
Thickness 3 in / 8 cm
Pack Size 8 x 3.5 in dia / 20 x 9 cm dia
Fabric 20D Polyester
Color Elite Yellow

Unlike typical vertical baffles, lateral baffles prevent the sides of the sleeping pad from curving around your body.

Ultralight Airlock Elite™ fabric allows Astro™ Lite to pack smaller and weigh less.
Astro™ Insulated models have a layer of PrimaLoft® insulation for consistent and even insulation.

Easy inflate/deflate valves make setup a breeze.
