SLEEPING BAGS
Our Vision.

is founded on a commitment to adventure, to the fearless pursuit of uncharted paths, in everything—from the equipment we build to the way we run our business. BRAVELY EXPLORING NEW DIRECTIONS opens our minds, brings us closer to the people we depend on, sharpens our wits, and lifts our spirits. Adventure gives us purpose and perspective. It makes us humble and proud. WE BELIEVE meaningful adventures are possible for anyone, anywhere. Possible, that is, if you bring the will, the imagination, and the right gear.

Insotect Flow™ vertical baffles contour insulation along your body, while the FlowGate™ architecture evenly distributes down throughout the baffles for consistent warmth.
