INTEGRATED FOOT PUMP
Integrated foot pump makes setup fast and gives your lungs a rest.

WARMTH
Aluminized film provides warmth at an ethereal weight.

COMFORT
Unique surface contours are more comfortable than traditional baffles.

STABILITY
Ultra light low-stretch Spaceframe™ baffles eliminate side to side instability.

FEATURES
- EMBOSSED 20D FABRIC
  Ultralight, abrasion resistant, and exceptionally packable.
- SPACEFRAME™ BAFFLES
  Patent pending design cuts out weight and adds stability.
- THERMAL MIRROR™
  Featherweight aluminized film reflects radiant heat.

VELOCITY™ 25L
Ultralight, low-stretch Spaceframe™ baffles provide exceptional stability and comfort.
