OUR VISION.

NEMesis is founded on a commitment to adventure, to the fearless pursuit of uncharted paths, in everything—from the equipment we build to the way we run our business. Bravely exploring opens our minds, brings us closer to the people we depend on, sharpens our wits, and lifts our spirits. Adventure gives us purpose and perspective. It makes us humble and proud. We believe meaningful adventures are possible for anyone, anywhere. Possible, that is, if you bring the will, the imagination, and the right gear.

**Verve™ 30 Reg**

- **Comfort**: Based on a standard woman having a comfortable nights sleep.
- **Lower Limit**: Based on a standard man as the lowest temp. to have a comfortable nights sleep.
- **Extreme**: A survival rating for a standard woman.

Ratings are based on user wearing one long-underwear layer and a hat, and sleeping on a single 1” thick, self-inflating foam pad.
NEMO’s Spoon™ Shape allows for natural sleep movement versus a constrictive mummy profile.

Sleep soundly with room to move. Sit naturally with space to relax.

Offset quilting construction eliminates exposed seams, preventing the loss of body heat through convection. This design maximizes the performance properties of Stratofiber™ insulation.

Stratofiber™ Insulation Technology
Stratofiber™ is NEMO’s formula of polyester staple fiber insulation optimized for a balance of warmth, loft and value.
