Fan Heater

INSTRUCTION MANUAL & WARRANTY CARD

Important Precaution

To use the appliance, always follow the instructions for assembly, use and maintenance as well as usage cautions:

1. Carefully read and retain these instructions.
2. Before connecting the appliance, be sure that the mains voltage available matches that specified on the rating plate.
3. Do not use the appliance for other than its intended use. For domestic indoor use only.
4. Place the appliance on a flat, stable, heat-resistant surface. Operating the product in any other position could cause a hazard.
5. There may be trace of odour during the first few minutes of initial use. This is normal and will quickly disappear.
6. The heater is hot when in use. To avoid burns, do not let bare skin touch any hot surface. Use the carrying handle when moving the product.
7. Keep combustible material such as furniture, cushions, bedding, paper, clothes, curtains etc. at least 1m away from the heater.
8. Do not use the heater in areas where flammable liquids are stored or where flammable fumes may be present.
9. Do not cover or obstruct any of the heat outlet grilles or the air intake openings of the heater.
10. Do not use the heater in the rooms with explosive gas or while using inflammable solvents, varnish or glue.
11. Keep the heater clean. Do not allow any objects to enter any ventilation or exhaust opening as this may cause electric shock, or fire or damage to the heater.
12. Always unplug or disconnect the appliance from the mains power supply when not in use or when moving or cleaning it. Do not pull the cord to unplug the heater.
13. Do not immerse the cord, plug or any part of the appliance in water or any other liquid.
14. Do not attempt to repair, disassemble or modify the appliance. There are no user-serviceable parts inside.
15. The heater must not be located immediately below a socket-outlet.
16. Do not use this heater in the immediate surroundings of a bath, a shower or a swimming pool.
17. Warning : in order to avoid overheating, do not cover the heater.
18. Warning! - Do not cover this appliance with items such as clothing, blankets or place next to curtains or net/blinds.

19. If the supply cord is damaged, please contact your nearest authorized service centre.
20. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
21. Children should be supervised to ensure that they do not play with the appliance.
22. CAUTION – if using an extension lead please ensure you do not exceed the maximum rated operating wattage/load of the extension lead. For domestic use only.

Never allow children or persons unable to operate the appliance safely, use this appliance without supervision.

Please dispose of plastic bags carefully and keep them away from children. This appliance is designed for use as a supplementary heat source, it is not intended to be the main source of heat.

IMPORTANT: When in use never cover the heater in any way or place it close to combustible materials. The heater will get hot, never touch it whilst in use. Always keep children and pets at a safe distance and never leave unsupervised in a room with a heater that is working.

Model Type & No.	Wattage	Power Supply
Felix Heater	Low 1000W / High 2000W	230V, 50 Hz

Maintenance and cleaning

The heater requires regular cleaning to ensure trouble free operation:

- Unplug the heater from the mains supply before cleaning.
- Ensure that the heater has been allowed to cool before cleaning.
- Use a damp cloth (not wet) to wipe the exterior of the heater to remove dust and dirt.
- Do not allow any water or other liquid to enter the housing or control panel.
- Ensure the heater is dry before plugging back into the mains supply.
