Adjustable Card Reader Holder with VESA Plate (White)

Adjustable Card Reader Holder

It's never been easier to add a card reader to a POS station, making this a simple solution for pop-up shops, retail locations, outdoor markets, or any place you need a convenient pay station. This holder attaches easily to the back of any VESA-compatible 75 x 75 or 100 x 100-millimeter device case with the included set of hardware. The sturdy bracket securely cradles virtually every standard card reader – and holds tight – even during your busiest sales periods. Simply loosen the screws, adjust for a perfect fit, and tighten to lock in place.
