Add-On Keyboard Tray for ADD-PARAFS (Black)

Add-On Keyboard Tray for ADD-PARAFS (Black)

CTA Digital's Keyboard Tray add-on for our popular Floor Stand Kiosk (ADD-PARAFS) transforms a presentation kiosk into an instant digital workstation. An intuitive bracket screws into the side of the floor stand with the included hardware kit. A useful slide out tray extension creates added surface area for office supplies. Secure padding and a handy tray lip holds keyboards securely in place, and folds down flat against the body of the floor stand when not in use. This tray has the same finish as the ADD-PARAFS kiosk to ensure a sleek, stylish appearance.

Features:

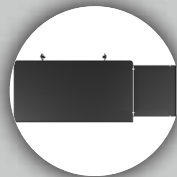

- Heavy duty sturdy metal keyboard tray component to create a workstation on-the-go
- Keyboard tray can expand-and-stow
- Keyboard tray expands for further workstation surface area
- Built-in pin component to help keep the tray stowed away securely
- Available in black and white finishes
- Edge lip on key sides to help aid items from sliding off
