

ADD-PARA CLAMP

Clamp for Desk for VESA Compatible Enclosures

Clamp for Desk

This tablet clamp may be small, but it packs a lot of power any place you need a hands-free device holder. Use the padded c-clamp to secure your tablet enclosure to tables, poles, countertops, or any flat surface of up to 1.25" inches thick. The VESA mount works seamlessly with CTA's Paragon enclosures or any others with a 75 x 75-millimeter VESA-compatible device. This versatile camp adjusts to virtually any viewing angle with a tilt range of 180 degrees and rotates 360-degrees for either portrait or landscape orientations. This clamp creates the perfect solution for digital workspaces or any situation requiring an on-the-go tablet mount.
