VESA Compatible Desk Mount with Printer Shelf Compartment

VESA Compatible Desk Mount with Printer Shelf Compartment

This durable, secure desk mount with locking compartment for a receipt printer is ideal for retail point of sale, hospitality desks, service counters, and more. The heavy-duty metal mount has a padded base that protects surfaces. Convenient 75 x 75 and 100 x 100-milimeter mounting holes at the top of this unit come ready for the addition of compatible tablet enclosures or monitors (we recommend CTA Digital's Popular Paragon Enclosure). You'll find plenty of space to route cables through the interior, which allows both tablet and printer to remain charged while in use. A receipt printer fits neatly in the back compartment, and can be locked with the included set of keys. Pre-drilled holes in the base allow for permanent attachment to counter surfaces.

Features:

- Back storage space for compartment
- Interior cable routing
- Padded base protects surfaces
- Heavy-duty weighted base
- Lock-and-Key Anti-Theft Security for storage compartment
- Heavy duty metal base has pre-drilled holes for permanent mounting
- VESA-compatible top holds tablet enclosures or other compatible screens (devices and enclosures not included)

Specifications:

- Dimension: 13.8"W x 10.8"D x 14.3"H
- Weight: 11.6 lbs

Package includes:

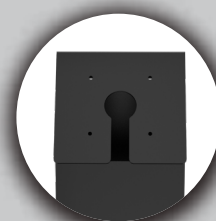

- (1) Kiosk with base
- (2) Keys for printer compartment door
- (1) Set of mounting hardware
