- (1) Stand Body
- (1) Base
- (1) Double VESA mounting bracket
- (1) Set of Hardware

This kiosk stand makes a doubly impactful statement in hotel lobbies, at trade shows, for sales meetings, at retail locations, at welcome centers, and any place that requires the right messaging. Insert your graphic with ease into side slots. (We'll provide specs to help you create the right size graphic.) You'll find ample space behind the graphics panel to route charging cables. The sturdy padded steel base provides a secure foundation. Atop the stand, you'll find a double VESA mount, that easily attaches to CTA's popular Paragon Enclosures, or any other compatible mount. With a tablet at each side of the kiosk, your organization can serve two guests, clients, or customers at once. That's twice as nice!
