VESA Compatible Desk Stand w/ Height Adjustable Pole (White)

VESA Compatible Desk Stand w/ Height Adjustable Pole (White)

This sleek, monitor desk stand creates a sleek countertop solution for home office, kitchens, conference rooms, or any place that requires a screen. The sturdy steel base provides a secure weighted and padded holder for monitors up to 27 inches, and an 8.25" height adjustability for a 23" max height. The VESA plate attaches to any compatible monitor or device with 75 x 75 or 100 x 100-mm mounting holes, and can be easily set up for either portrait or landscape orientation. The screen/device can rotate 360 degrees and tilt up and down. A handy clip behind the center post neatly routes cables out of the way. Rated for monitors and deices up to 13.2 lbs.

Features:

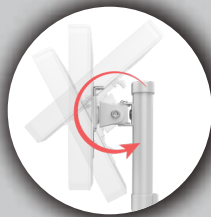

- Sturdy white metal stand
- 360-degree rotating capability
- Center post adjusts from 12.5 – 19.7-inches in height
- Tilts up and down
