# Universal Tablet Headrest Mount For 7-14" Tablets

Easily adjusts for horizontal or vertical views

## Universal Tablet Headrest Mount

Your backseat passengers stay entertained with this flexible car seat headrest mount for tablets. The Universal Tablet Headrest Mount is equipped with a versatile tablet holder compatible with virtually every tablet in the market. The articulated joint allows for angle adjustment and easy switches between portrait and landscape display orientations. The arm base clamps onto one of your headrest's support rods, easily tightening or loosening with an included Allen key. This unique clamp allows your tablet to be displayed directly behind the driver or passenger seats or directly between them. The Universal Table Headrest Mount allows access to all ports, buttons, and headphone jacks, for compatibility with card readers.
