Vehicle Dash Mount Kit w/ Inductive Charging Case

for iPad 10.2" 7th/ 8th/ 9th Gen, iPad Pro 10.5" and iPad Air 3

Vehicle Dash Mount Kit w/ Inductive Charging Case

CTA Digital's Vehicle Dash Mount Kit with Inductive Charging Case is the ideal tablet holder for commercial vehicle dash boards, ride share, delivery trucks, emergency vehicles, and more. This sturdy mount base installs easily via (4) screws, and supports a heavy carbon fiber support arm. At both the top and bottom ends of the arm are tension-adjustment ball socket joints that give nearly endless options for angles and orientation. Tablets remain protected within our popular, impact-resistant and splash-proof inductive charging case, which far exceeds the functionality of normal cases. The inductive charging back plate plugs seamlessly into vehicles' 12V auxiliary power outlet. Magnetic fields charge the case when attached to the base. A built-in strap on the rear of the case lets users quickly switch for secure handheld use. Rear magnets allow for easy return to a mounting stand. This case is splash-proof, drop-tested, and ready to protect iPads from messes, rough handling, or other incidents.

Easily adjusts for horizontal or vertical views

Features:

- CTA Digital's Vehicle Dash Mount Kit with Inductive Charging Case is the ideal tablet holder for commercial vehicle dash boards, ride share, delivery trucks, and more
- Heavy-duty carbon fiber support arm with two ball socket joints allow nearly endless angle adjustments
- Wireless charging function
- Durable impact shielding and rugged rubber construction
- Splash Proof Case
- VESA 75 x 75 and 100 x 100-millimeter mounting plate connect charging case to base
- Embedded magnet allows for quick mounting to the inductive charging back plate
- Compatible with iPad 7 - 9 Generation 10.2-inch, iPad Pro 10.5-inch, iPad Air 3

Specifications:

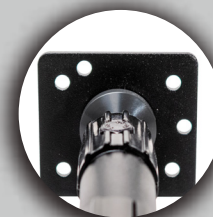

- Overall Dimensions: 11-1/4"H x 7-3/8" W x 3-3/4" D
- Inductive case dimensions: 2.1" x 7.3" x 11.2"
- Base Plate Dimensions: 2-1/8" x 2"
- Arm Length: 4-3/4"
- Weight: 1.33 lbs.

Package includes:

- (1) Rugged inductive charging case
- (1) Power Adapter
- (1) Inductive charging dock
- (1) Carbon fiber arm with VESA adapter and mounting plate
- (1) Set hardware
