Vehicle Headrest Flex Mount

For 7-14 Inch Tablets

Easily adjusts for horizontal or vertical views

Vehicle Headrest Flex Mount

Your backseat passengers stay entertained with this flexible car seat headrest mount for tablets. The powerful metal arm is equipped with two ball socket joints for expansive angle adjustment and easy switches between portrait and landscape display orientations. The arm base clamps onto one of your headrest's support rods, easily tightening or loosening with an included Allen key. This unique clamp allows your tablet to be displayed directly behind the driver or passenger seats or directly between them. The slide-grip tablet holder allows access to all ports, buttons, and headphone jacks, for compatibility with card readers.
