USB 3.0 Security Cable Lock
For MacBook Air/MacBook Pro

USB 3.0 Security Cable

This security cable lock protects your laptop from theft without any complicated installation or drilling. Simply attach the lock head into the USB slot in your laptop. The included steel security cable loops around a table leg or other permanent fixture at the other end, keeping your device well protected from theft, and making this security kit an excellent fit for classrooms, conference rooms, retail counters, reception desks, and more.

Features:

• Galvanized steel cable protects your laptop from theft
• Cable inserts easily into USB 3.0 port on any MacBook Air or MacBook Pro
• Unlocks with an included key
• Minimal, space-saving design keeps your workspace uncluttered
• Master key compatible
• Compatible only with USB 3.0 ports on MacBook Air and MacBook Pro. Not compatible with PC laptops or other generations of USB. Check your MacBook specifications for compatibility.
