Dual Universal Security Enclosure Desk Mount w/ Storage Compartment (Black)

Dual Universal Security Enclosure Desk Mount w/ Storage Compartment (Black)

CTA Digital's Dual Universal Security Enclosure Desk Mount w/ Storage Compartment comes ready to serve! It creates an instant, dual tablet tower, ideal for use as a point-of-sale unit, content creation studio, or warehouse inventory management system. A heavy base holds a center support with an angled bottom enclosure with a locking storage compartment in the back. A second enclosure sits directly above. Height adjustments allow the space necessary to use tablets in either portrait or landscape modes. This kit comes with 2 of CTA's best-selling Paragon Enclosures. The durable metal enclosures holds many different types of tablets between 9.7"-11". Both enclosures feature a powerful lock-and-key security system, and have enough room to easily route cables through the interior to keep tablets charged at all times. The enclosures mount to the kiosk via standard VESA 75 x 75 and 100 x 100-millimeter plates. This durable, simple-to-use security enclosure keeps your tablet protected from theft and easily accessible any place dual screens make work more efficient.
