

Anti-Theft Case with Built-In Grip Stand for iPad mini 1st-4th generation

Anti-Theft Case with Built-In Grip Stand

Safety and security come first with CTA Digital's Anti-Theft Case with Built-In Grip Stand for iPad mini. Compatible with all iPad mini models, including the iPad mini 4, this case boasts tough, impact resistant shielding, plus top-notch anti-theft protection. Security has never been so simple! Just slide your iPad mini into the case, attach the steel cable to any sturdy object, and lock it in place with the key. This versatile case also includes a built-in, rotatable handgrip, plus a kickstand with a rubber base, so you can easily engage with your iPad mini at custom angles, in portrait or landscape orientations. Perfect for a mobile workstation, point-of-sale, business kiosk, or classroom aid, this case offers your device unmatched protection, without compromising on accessibility; so get secure and breathe easy, with the Anti-Theft Case with Built-In Grip for iPad mini 1st-4th generation from CTA Digital.
