Create a stable and easily adjustable tablet workstation for your home, office, gym, warehouse, or classroom. This easy-setup floor stand is without equal in adjustability, featuring a tilting VESA-Compatible 75 x 75- and 100 x 100-mm mounting plate, which works seamlessly with CTA's line of tablet cases, including the popular Paragon Enclosure (PAD-PARAW). Customize your workstation further with the stand's height-adjusting, telescoping pole and 12-inch extender pole to create the right workstation at the right height for any task.

Versatile VESA mounting

Tilt Adjustable for Preferred Angles
