

PAD-ASKM6

Dual Security Kiosk Stand with Locking Case and Cable

for iPad Mini 6

Dual Security Kiosk Stand with Locking Case and Cable for iPad Mini 6

Whether you need a security stand for display, point of sale, or use as a home digital workstation, CTA Digital's Dual Security Kiosk Stand with Locking Case and Cable for iPad Mini 6 has the style and functionality you need. The strong aluminum stand allows access to all ports and buttons. It tilts to easily adjust viewing angles and rotates for use in either portrait or landscape mode. The base also rotates a full 360 degrees to easily switch from register to customer-side transactions. The anti-theft case enclosure locks and comes with not only a set of keys, but also, a strong steel security cable that loops and locks around counter legs or other permanent fixtures. The large base can be drilled directly onto surfaces via predrilled holes or with the included adhesive silicone pads. Route cables through the hollow center to keep workspaces neat and tidy. This kit comes complete with an elegant stylus, stylus holder and elastic tether.

Features:

- Easily adjusts for use in portrait or landscape modes.
- 360-degree rotating base for easy switch between register and customer-side transactions.
- Key lock keeps iPad mini secured inside kiosk enclosure.
- Optional locking steel cable keeps kiosk stand secured to any fixture.
- To secure stand to counter, either use double-sided silicone adhesive pads or mount unit in place via predrilled holes in base .
- Elegant stylus and elastic tether with built-in holder.
- Padded casing and base protect iPad Mini 6 and furniture.
- Cable routing through center stand for clean setup while charging.
- Large base and solid stand for stability.
