

PAD-CHKS

Security Universal Holder POS Station with Printer Stand & Magnetic Scanner Holder For 7-13" Tablets

Easily adjusts for horizontal or vertical views

Security Universal Holder POS Station with Printer Stand & Magnetic Scanner Holder

The Security Universal Holder POS Station is a heavy-duty stand with a security holder that can be attached to a cable lock system for peace-of-mind at any establishment. It counts with a printer stand and scanner holder in order to provide a cohesive, efficient and compact POS system. The easily adjustable diagonal security holder will keep your device secure and has the capability to easily fit over tablet cases. The easily interchangeable bracket can be attached on both right and left side for a better adjustment. The scanner holder is easily attached by magnetic power, and can allow the scanner to be situated in different positions. This stand provides a reserved space in the front to allow for a receipt printer option. This is the perfect addition for a point of sale location, warehouse setup and more.

Features:

- Key and lock security holder grip to prevent theft
- Heavy-duty steel stand with a reserved space for a printer
- Bracket Arm with Magnetic Scanner Holder to allow for various mounting orientations
