

PAD-CHKS2EN

Point-of-Sale Station

with Printer Stand, Magnetic Scanner Holder, Card Reader Holder and 2 Security Enclosures

Point-of-Sale Station

This countertop POS Station is a heavy-duty stand with two security enclosures (one large and one small) for the ultimate checkout experience. It comes with a printer stand, a scanner holder and a universal card reader holder in order to provide a cohesive, efficient and compact POS system. The durable metal enclosure features a powerful lock and key security system as well as tilt adjustable for optimal viewing angles. The easily interchangeable metal bracket can be attached on either side of the stand for flexible adjustment. The scanner holder and card reader holder are easily attached on the stand & enclosures by magnetic pads, allowing them to be placed in different positions. The card reader holder is width adjustable to fit different size card readers. This stand provides a reserved space in the front to allow for a receipt printer option. This is the perfect addition for a point-of-sale location, retail store, warehouse set up, and more.

Features:

- Heavy-duty steel stand with a reserved space for a printer
- VESA 75x75 and 100x100 holes which allow to switch enclosure sizes to cater to your exact needs.
- Width adjustable Magnetic Card Holder to fit different size card reader holders
- Portrait or landscape mounting
- Interior cable routing
