

Compact Security Wall Mount

The ultimate space-saving tablet solution, this ingenious security wall mount protects your tablet from theft while occupying minimal wall space, making it a perfect fit for hospitals, classrooms, commercial kitchens, and more. The mount only barely extends from the wall but affords a tremendous range of adjustment, including 360-degree rotation and bidirectional tilting. The unique slide-adjustable holder grips your tablet by the corners, holding it in place with a powerful lock and key security system. This open design allows full access to all ports, buttons, and headphone jacks for compatibility with credit card readers.

Features:

- Security holder mounts nearly flush against wall
- Tilts on a hinge and rotates 360 degrees for portrait and landscape orientations
- Powerful lock and key security system protects tablet from theft
