

# Desktop Anti-Theft Stand For Tablets

PAD-DASB109

Easily adjusts for horizontal or vertical views

## Desktop Anti-Theft Stand

This stylish, aluminum enclosure brings simplicity, functionality, and theft protection to your classroom, conference room, retail point of sale, or digital workstation. The hinged tablet enclosure cradles and protects devices with lock-and-key security. The head of the mount rotates a full 360 degrees for easy shifts between portrait and landscape orientations. This case enclosure is designed to allow full access to your tablet's buttons, cameras, charging port, and headphone jack (for compatibility with headphone jack credit card readers). Also included are a stylus and elastic tether, plus a built-in holder. The stand was designed with pre-drilled holes for optional permanent mounting to a countertop, desk, or table. Compatible with iPad 10th Gen 10.9", iPad Air, and 11" iPad Pro.

### Features:

- Locking aluminum enclosure protects tablet from theft
- Strategic design allows access to your tablet's home button, charger, headphone jack, volume buttons, and cameras
