Gas Spring Clamp Mount with 2 USB Ports w/ Enclosure for Medium Size Tablets (Red)

Easily adjusts for horizontal or vertical views

Gas Spring Clamp Mount with 2 USB Ports w/ Enclosure for Medium Size Tablets (Red)

CTA Digital's Single Monitor Gas Spring Monitor Arm with USB Ports lives at the crossroads of style and function. This sturdy, versatile mount features a gorgeous red metal finish for just the right pop of color. It with a heavy-duty locking enclosure that fits most tablets from 9.7-11 inches. A spring-loaded center joint locks to the perfect angle when tightened with the included Allen key, and swivels a full 360-degrees. To lock, press the magnetic joint cover, pop it out, tighten the joint, then replace cover. The head tilts a full 180-degrees up and down as well as left to right, and locks in place with an Allen key. The base swivels to create the ideal viewing angle. The mount attaches in two ways. It grips counters that have a thickness range of 0.39 to 3.35 inches via padded rotary C-clamp. It can also be permanently screwed into surfaces through pre-drilled grommets with a hole diameter of 0.39 to 2.3 inches. The base comes with 2 USB ports, ideal for both charging and use with additional devices. Store Allen keys in holes at the rear of the C-clamp mount. All cables can be managed via useful clips down the spring arms.

Features:

- Heavy-duty locking enclosure
- 360-degree swivel flexible arm rotation
- VESA joint allows for portrait to landscape orientation and has 180 degree vertical or horizontal flexibility.
