

Heavy-Duty Gooseneck Clamp Stand for 7-13 Inch Tablets

Heavy-Duty Gooseneck Clamp Stand

This flexible, sturdy clamp stand lets you create a tablet workstation on the fly wherever you need it. The heavy-duty adjustable clamp uses powerful rubber grips and a rotary tightening mechanism to give you fast, easy setups on classroom desks, conference tables, podiums, and more. The clamp can also attach to cylindrical objects like hospital bed rails by removing the tabletop grip insert. The stand features a durable, ultra-flexible steel gooseneck for virtually infinite positioning options. The slide adjustable tablet holder tilts side to side and rotates a full 360 degrees to accommodate both portrait and landscape orientations.
