

PAD-HSKSBL

Hyperflex Security Kiosk Stand for Tablets with Large Universal Locking Enclosure (Black)

Compatible with 12.9", Surface Pro 7 and More

Hyperflex Security Kiosk Stand

The two words best used to describe this product are "secure" and "convenient." The large enclosure's heavy-duty steel exterior protects devices from wear-and-tear, while the sturdy lock prevents theft. Soft foam grips throughout the interior keep your device cozy and scratch-free. A hollow center allows neat cable routing directly through the stand itself, creating a clean, professional look. Two 360-degree swivels – one at the base and one at the mount – which makes this perfect for personable point-of-sale transactions. Use the included galvanized steel locking cable to doubly secure your device. Simply lock one end directly to the stand and tether the other to any permanent fixture. Compatible with larger devices including the iPad Pro 12.9" 2015, 2017, 2018, 2020, 2022 and Surface Pro 3/4/5/6/7/8/X
