

PAD-LAS9

Locking Angle-Flip Stand

for iPad (Gen. 5-6), iPad Pro 9.7 and iPad Air (Gen. 1-2)

Locking Angle-Flip Stand

The Locking Angle-Flip Stand for iPad is a secure and convenient iPad stand for any point of sale, showroom, or classroom, and can be easily fixed to any surface or wall. The included mounting kit means installation can be done in just a few minutes, and the locking security jacket is sturdy enough to keep your tablet safe while still open enough to allow access to charging ports and headphone jacks. Need to adjust your viewing angle? The smooth front-to-back tilting hinge is perfect for both point-of-sale transactions or simply making sure your neck is comfortable while reading. Thanks to its durable metal frame, you can be sure your device will be protected from bumps and scratches for a long, long time. And for customers yearning for that extra bit of security, an optional steel cable anchor can be easily attached to any nearby fixture. The Locking Angle-Flip Stand is compatible with iPad Gen. 5-6, iPad Pro 9.7, and iPad Air Gen. 1-2.
