

LOCKPOINT

TABLET KIOSK STATION

Tablet Kiosk Station

The Lockpoint series from CTA Digital represents the pinnacle of security, style, and functionality. This premium, thick gauge steel enclosure keeps your tablet protected from theft without compromising on accessibility. The case is equipped with a powerful lock and key security system and is designed to allow full access to your tablet's ports, buttons, cameras, and headphone jacks, for card reader compatibility. The case is designed for streamlined transactions, featuring easy front-to-back tilting plus 180-degree rotation for portrait and landscape orientations. The stand mounts easily to your desk, countertop, or other flat surface with a set of included hardware. This kiosk station also includes a stylus and elastic tether, plus a convenient magnetized grip on the stand base. For an optional measure of additional security, a locking steel cable attaches to the Kensington slot on the stand base, attaching at the other end to any permanent fixture.

Features:

- Locking, heavy-gauge steel enclosure protects tablet from theft
- Allows access to all ports, buttons, cameras, and jacks
- Case tilts front to back and rotates 180 degrees for portrait and landscape orientations
