

# Multi-Joint Desk and Wall Mount

## for Tablets and Smartphones

### Multi-Joint Desk and Wall Mount

Display your smartphone or tablet anywhere with this powerful, multi-surface display mount. This versatile stand sets up easily on a desk, counter, or tabletop with a pair of expanding legs; or on a door, wall, or window using one of the two included mounting cradles. The arm's 3 flexible joints offer endless positioning options, while a ball socket connection allows 360-degree rotation in the holder. This adjustable holder uses a spring-based tension mechanism to secure your smartphone or tablet. The whole stand folds nearly flat when not in use for convenient storage and portability.
