This compact, heavy-duty mobile floor stand with universal Paragon enclosure is the perfect solution for classrooms, public check-in stations, medical offices, conference rooms, or any place that requires a rugged, secure mobile stand. CTA Digital's popular Paragon Enclosure securely cradles virtually any 9-11-inch device. A lock-and-key system keeps your device protected. The enclosure attaches to the stand with a standard 75 x 75mm or 100 x 100mm VESA plate that allows full rotation for use in either portrait or landscape orientation. Intuitive cable routing keeps all charging cords safely out-of-sight. At the base of the stand, you'll find five smoothly rolling casters that lock in place with the flip of a foot pedal.
