Paragon Enclosure with Curved Neck

This flexible, easy to use security enclosure keeps your tablet protected from theft and easily accessible in restaurant counters, waiting rooms, airports, and more. The durable metal enclosure protects your tablet from theft with a powerful lock and key security system, while a curved gooseneck allows the perfect angle adjustment and 360-degree rotation. The hollow neck allows easy cable routing to keep your device charged while in use. The stand mounts via predrilled holes to your desk, counter, or tabletop with a set of included hardware.
